Alma

Mater

Words by Robert Cormier '42

Music by Alphonse Piermarini '42

Upon the hill you stand upright
Against the storm of time and tide.
Your glory is our guiding light;
Your nobleness our pride.
We raise our voices now in song
And send your praise across the sky.
You served us faithfully and long;
Your spirit shall not die.

CHORUS

Hail, O Alma Mater, hail to you,
Your noble heart, forever proud and true.
And though the years are dark and long,
This will be our song forever more.
The trust you gave us we shall not forget,
For faith can never know regret.
The star of truth, the symbol of our youth,
We praise you, Leominster High.

Principal Charles D. Bird

What do you see as you reflect on the years you have spent preparing for high school graduation? You have gathered an increasing fund of information from your first grade mastery of the alphabet to the more sophisticated data some studied in several different languages. Twelve years, one hundred and eighty days a year, five to six hours a day, were at your disposal to improve your minds and appreciate the culture of the past and present. How efficiently you approached this tremendous opportunity, you know better than anyone else.

The time has come to assess what you have gained and to determine the cultural assimilation of the educational wealth you have acquired. This wealth is not to be described only in terms of information gathered. How have you developed as a person between the age of six and eighteen? Have you become a positive influence among your peers? Are you a dependable and reliable human being with a full realization of the meaning of the phrase "concern for others"? Look at your classmates and see that those who have won your highest respect have these qualifications: optimism; a determination to make full use of all their abilities; a genuine willingness to serve their fellow students both as a friend and as a member of the class; a humility that is willing to accept a favor, to admit a need for the help of others; a tendency to be complimentary and reassuring rather than critical and destructive.

Many of you have these fine qualities. The more of them you have, the better a person you are. A desire, a determination to acquire all of them as the years go by, prove that you have truly gained from your education. We are proud to have joined with your parents in helping you to become a forward-looking, optimistic person, learning and improving forever.

Learning is twofold: the gathering of information, and the using of this information to develop one into a full person.

Assistant Principal John F. Joyce

TO THE CLASS OF 1967

For the priceless gift of your friendship and for the opportunities you have given me over the past three years to assuage your sorrows and share in your joys, to bear with you in your defeats and rejoice in your triumphs, and, above all, to experience the excitement of discerning in you the rich promise that bodes so well for the world you will make, my gratitude.

Principal Emile S. Johnson

Congratulations!

May you continue to study in your chosen field of activity. Today's technology will change with the new industrial developments of tomorrow. It is imperative, if you want to stay abreast of the changing times and succeed, that you must study, be honest, and be diligent in your work, roll up your sleeves and be a worker and not a clock watcher. Your future is at stake. What you do now will determine your future. Best wishes.

Dedication

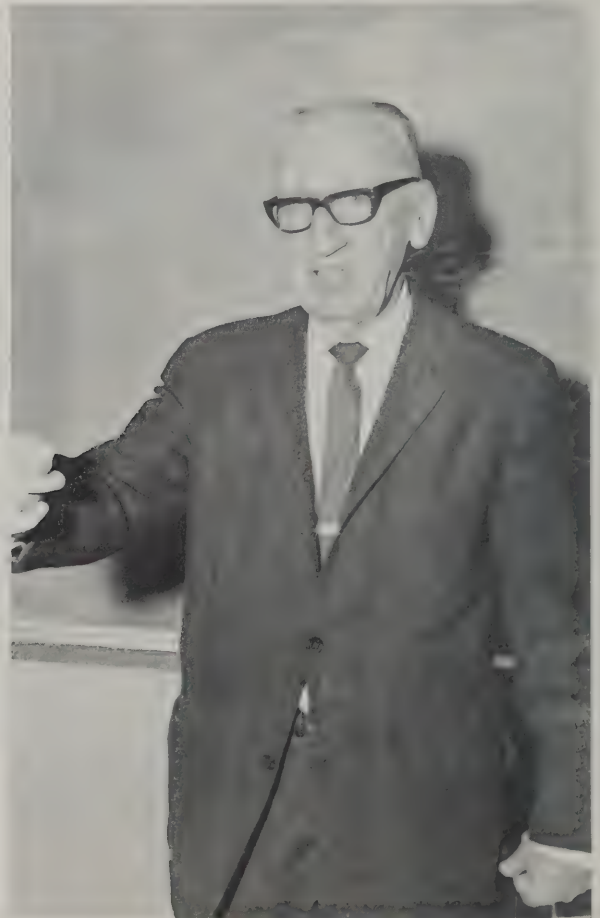

We, the class of 1967, wish to dedicate this year's *Magnet* to three of Leominster High School's faculty members, Miss Elizabeth Colley, Mr. Henry Fenton, and Mr. Claude Munson, who are retiring this year.

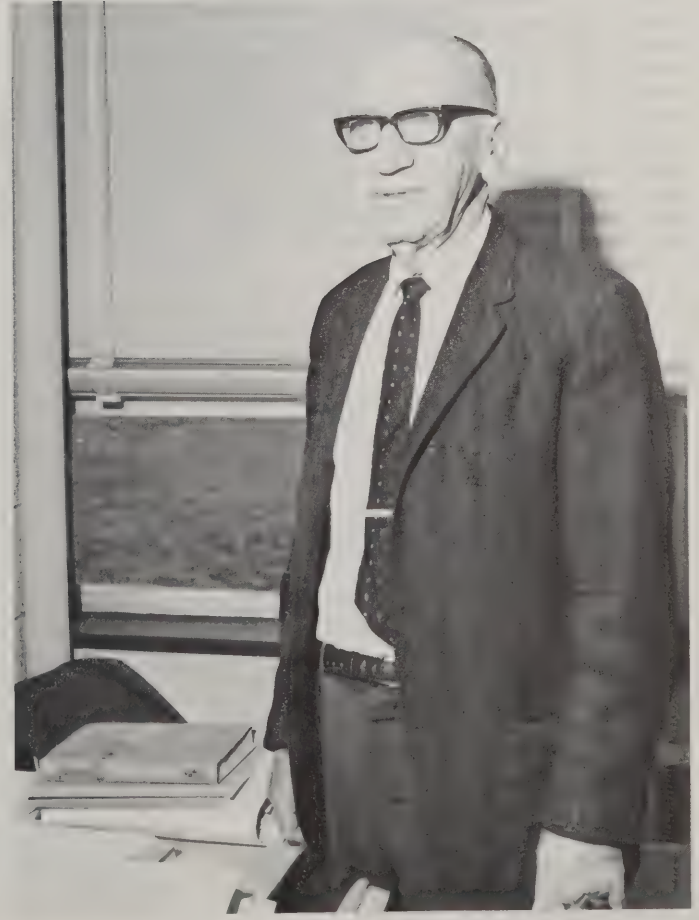

Mr. Fenton, head of the Business Education Department, has willingly bestowed both understanding and guidance upon all of his students during his years at L.H.S.

Miss Colley, the present head of the English department, has also given many years of dedicated service to the school.

Mr. Munson, the art teacher, will always be remembered for his great talent and the beautiful contribution of our school library's mural.

In appreciation of their outstanding contributions to the teaching staff and their many efforts in our behalf, we extend our gratitude.

CURRICULUM

English

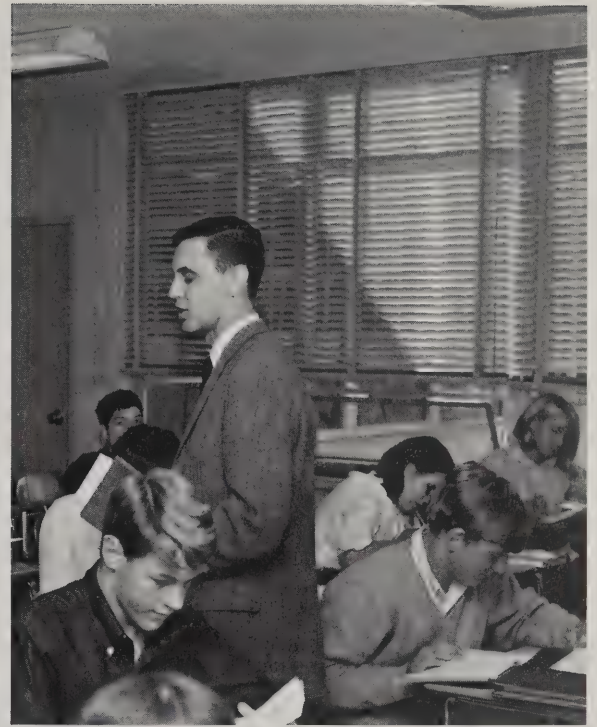

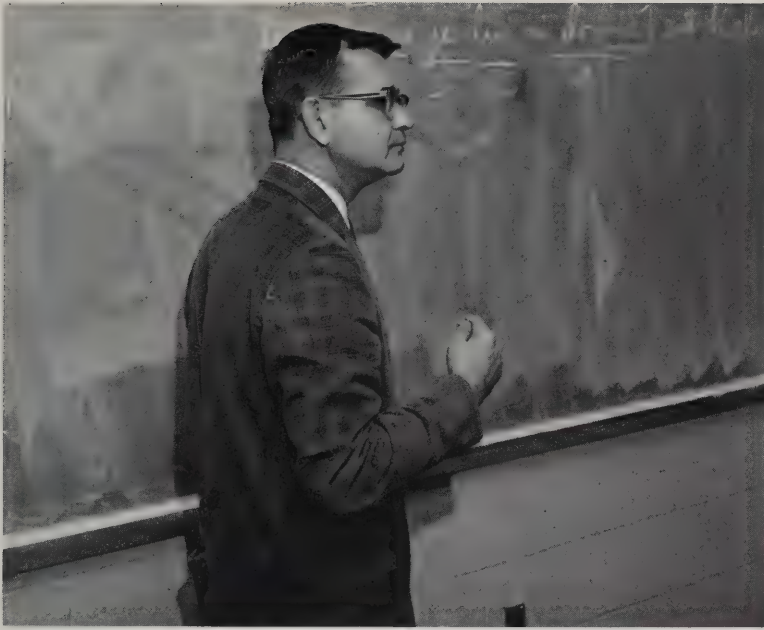

The English department, headed by Miss M. Elizabeth Colley, endeavors to help the students improve their writing skills and achieve and broaden their understanding of the literature of the world.

Distributive Education

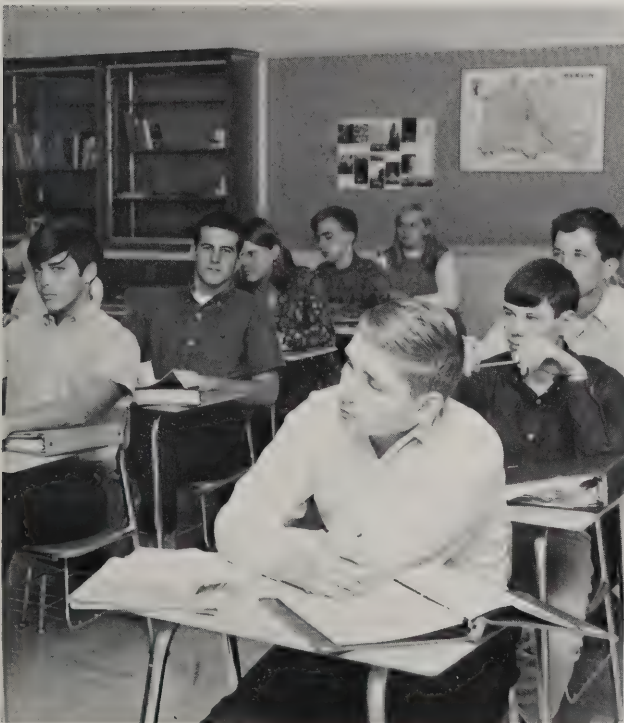

In its first year at Leominster High School, Distributive Education has provided the opportunity for students to work and study during the school day. It is headed by Mrs. Dorothy Gottsegen, who is new to Leominster High and who is interested in both the students and their career opportunities.

Foreign Languages

Latin, German, Italian, and French are the courses offered in the language department, which is supervised by Mr. Eugene Rheault. The foreign language scholar has ample opportunity to broaden his knowledge of the culture of a foreign society as well as learning the native tongue through the ALM program. The language laboratory aids the student in his comprehension and pronunciation.

Business Education

Mr. Henry Fenton heads the business education department where subjects such as typing, bookkeeping, stenography, transcription, business law, office practice, and salesmanship are taught. These subjects enable the students to build a solid foundation for their future careers in the business world.

Physical Education

This year exercise is the theme of our physical fitness program, which has been expanded to allow four classes of gym for each student during the week. This program along with the excellent gymnastic facilities and equipment enables L.H.S. to have a student body which is physically and mentally sound.

Music

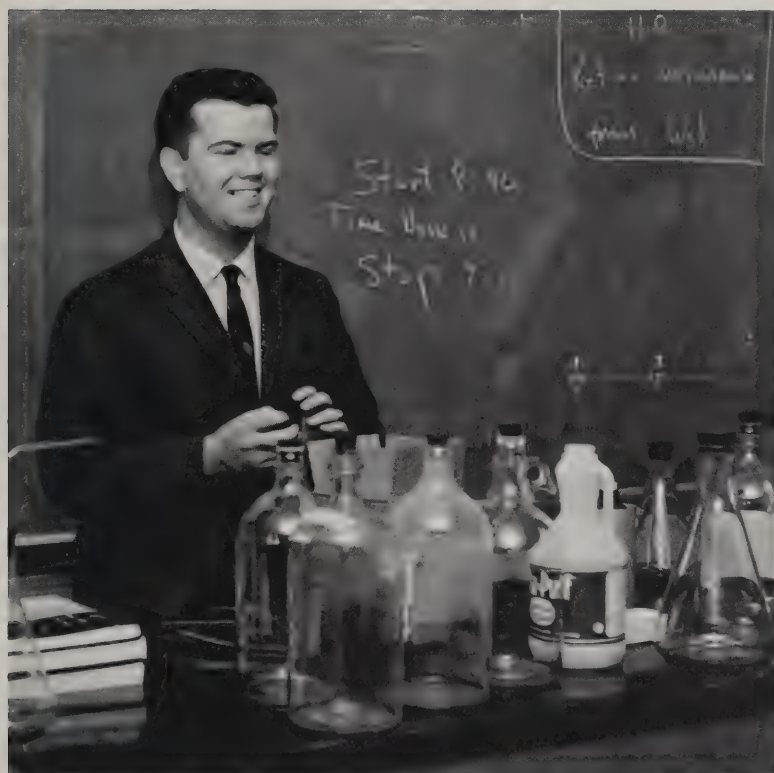

A better understanding and fuller appreciation of music is the object of the music courses taught by Mr. Egidio Bisceglia. In addition to these classes, Mr. Bisceglia also encourages students to participate in the dance band, orchestra, marching band, and vocal groups.

Mathematics

The mathematics department, headed by Miss Helen Hartnett, strives to strengthen the student's ability to think logically and to apply his knowledge of mathematical ideas and theories. Algebra I and II, plane and solid geometry, and trigonometry are the courses of study that are offered.

Science

Knowledge of the sciences is both useful and profitable in our modern society. The goal of the department is to help the students develop an appreciation and understanding of the natural and chemical sciences by a process of study and inquiry. Classes make intense use of the modern laboratory equipment offered by the school. Mr. Marvin Kendall is the department chairman.

Home Economics

Under the direction of Mr. Claude Munson, the students interested in art are given an opportunity to develop their talents. Several projects during the year, including holiday decorating for the school, are an integral part of the program.

Art

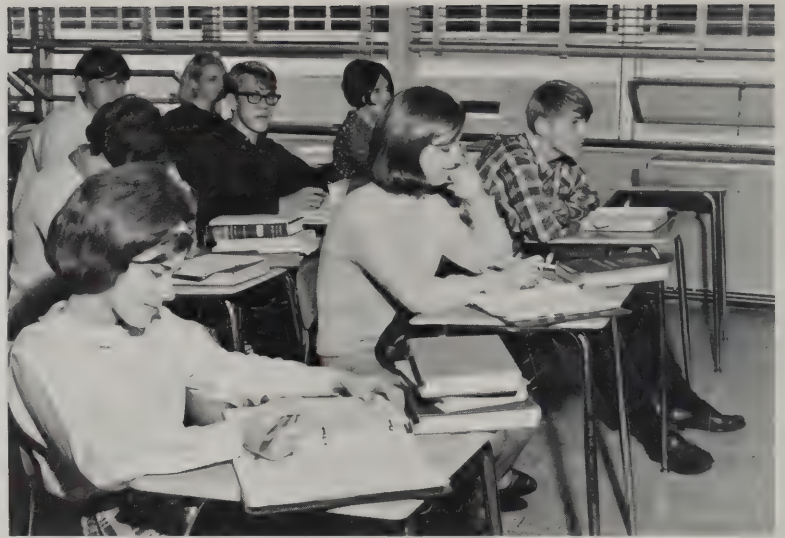

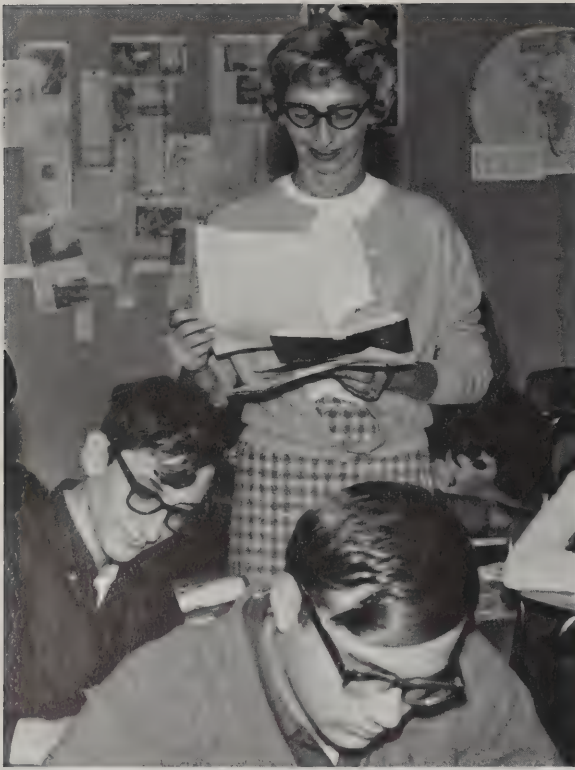

The purpose of the home economics classes taught by Miss Louise Cavanaugh is to teach girls how to cook and sew and how to perform the duties that will be required of them as homemakers.

Public Speaking

In Mrs. Adams' public speaking classes, the students are taught to speak fluently and clearly. They become acquainted with the art of speaking before large groups. This class offers both advantage and enjoyment to the student body of Leominster High School.

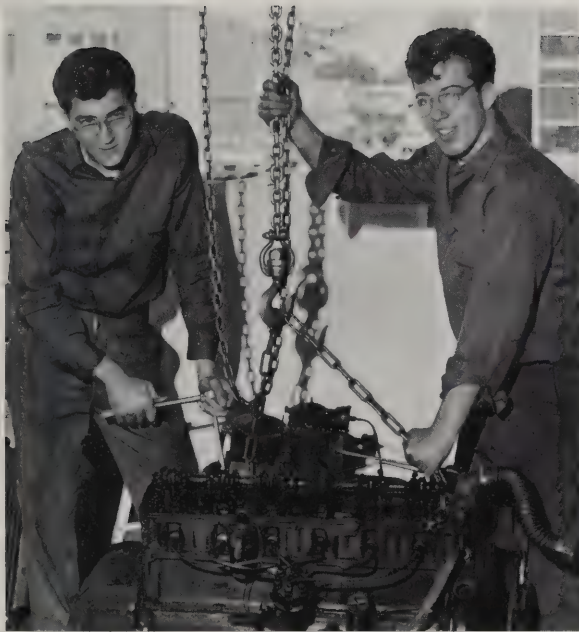

Social Studies

The social studies department, under the able direction of Mr. John Magane, attempts to teach the student the right and obligations of citizenship. This diversified department includes such areas as United States History, geography, sociology, economics, and human relations. Through the study of the social sciences the student is given a background for his later life.

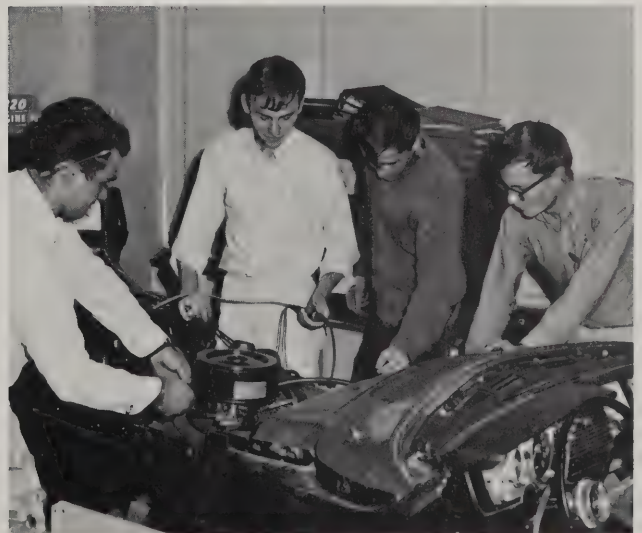

Auto Mechanics

The students of the auto mechanics shop, with the aid of the latest equipment available, remedy the many complex problems of the automotive engine. The boys learn to work together, and under Mr. Clifford Gilbert's careful supervision they acquire the mechanical training and the pride in their work which characterize a successful mechanic.

Auto Mechanics Related

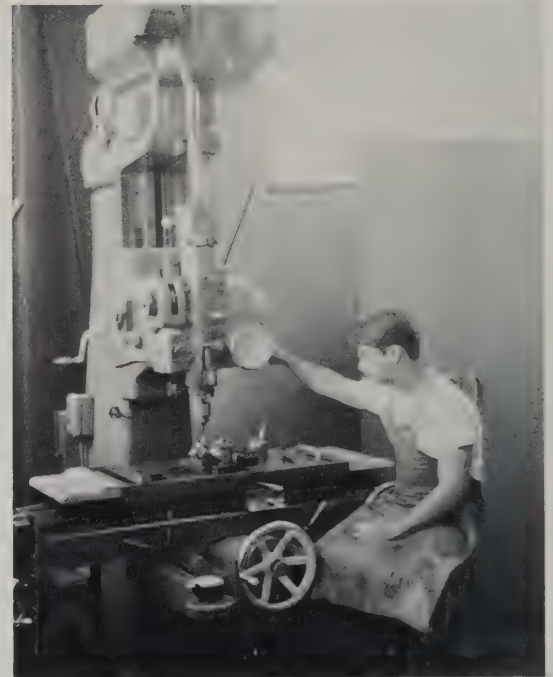

Under the direction of Mr. Howard Hatch, the students of the automotive shop, during their academic week, learn the fundamentals required of an automotive mechanic. They also learn to use the modern tools and equipment needed in the automotive trade.

Machine Shop

In the machine shop, under the direction of Mr. Algidio Membrino, the students receive up-to-date instruction on the fundamentals of tool and mold building.

Carpentry

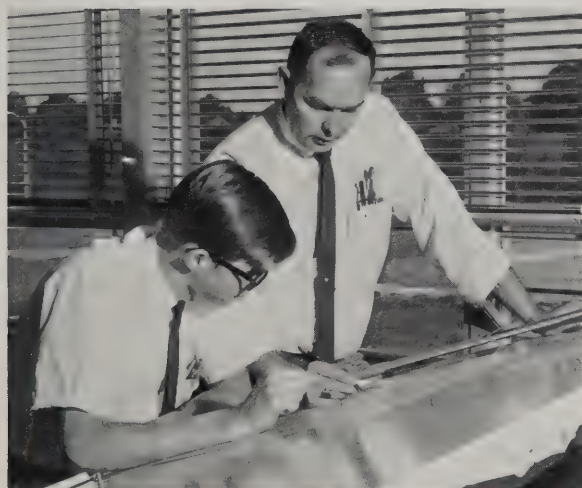

There are many opportunities for students in the carpentry department. Here they learn designing, blueprinting, and the employment of hand tools and machine equipment. Under the supervision of Mr. Harold Mooney, a new home, which prepares the boys for their future occupation, is constructed each year.

Machine And Tool Design Drafting

Under the supervision of Mr. Robert Hemmenway, the students in the drafting department are taught the fundamentals of machine and tool design. They are given sufficient technical training to insure for them an adequate background to build upon in industry.

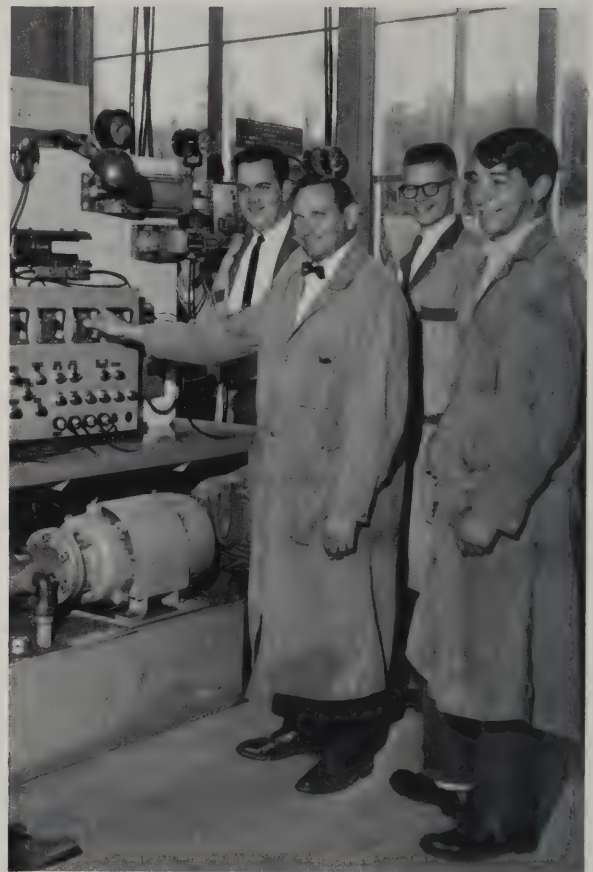

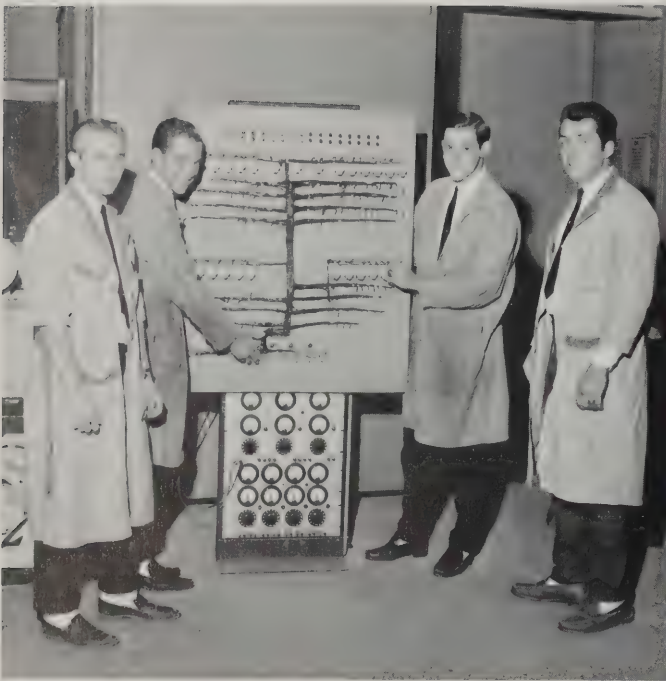

Drafting Related

Students are given instruction in advanced mathematics, physics, metallurgy, foundry practice and hydraulics relating to the drafting department.

Electronics And Hydraulics

The endless demand for well-trained men in the fields of electronics and hydraulics continues unabated. The Trade High School electro-fluids department trains students in a superbly equipped laboratory. The major objective of this department is to provide industry with capable mechanics who will readily accept the responsibilities encountered in a growing industry.

Electronics Related

Trade School's Academic Week

Intensive instruction in science, mathematics, the language arts, and the social studies is provided by the academic department. This instruction accents the training afforded in the shops and laboratories of the Trade High School. Numerous opportunities to investigate various aspects of American citizenship are also provided.

Class Advisors

We, the class of 1967, wish to express our sincere gratitude to our class advisors, Mr. Eugene Rheault and Mrs. Barbara Simpson for their unceasing devotion to our efforts and desires. They unquestionably made our years at L.H.S. successful, but even more important, thoroughly enjoyable.

President's Message

We, the class of 1967 of the Leominster Trade High School, would like to express to our principal, Mr. Emile Johnson, to our advisor, Mr. Spencer Lunan, and to the entire faculty our deepest gratitude and sincere appreciation for their efforts in preparing us for our successful future.

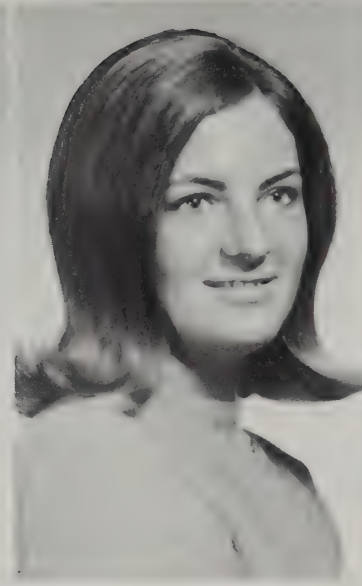

In our time it will be easier to get ahead with the skill and training we, as graduates, have derived from the Trade High School. For all our shop and classroom experiences we are very grateful.

President's Message

Seniors—In our three years at Leominster High School, we have acquired an ever-increasing ability to work together coherently. The success that we have achieved makes me proud to have served as your President.

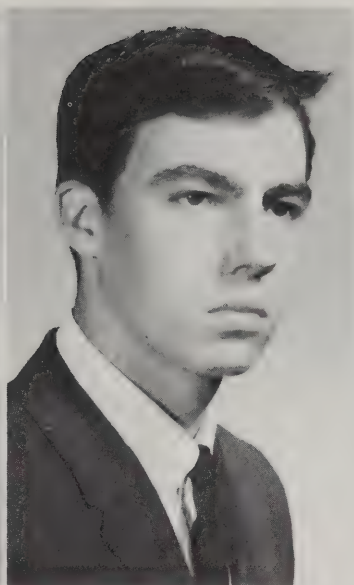

The accomplishments of our class are self-evident. The large percentage of seniors attending schools of higher learning next year is a testimony to our scholastic endeavors.

The Class of 1967 has indeed been one of many accomplishments. Only with the advice of our class advisors, Mrs. Simpson and Mr. Rheault and with the help of Mr. Bird, Mr. Joyce, and other faculty members, could we have had such a successful year. The understanding and patience of our advisors is deeply appreciated.

ACTIVITIES

Fall Dance

The senior class sponsored a Fall Dance this year on November 10. It was held in the high school cafeteria, which was decorated with all the color and sights of autumn.

GAA Sock Hop

The Leominster High School gym was the scene of rocking at the Girls' Athletic Association's annual Sock Hop. Profits are put toward the club's scholarship service. Shoes were banned and boys and girls slid gleefully across the floor engaged in various dances.

Come on kids, let's really hear it!

Bonfire Rally

The Thanksgiving Day Game was previewed by the Bonfire Rally held at Doyle Field the night before the game. The huge bonfire and the cheering crowds were certainly an inspiration to the team who defeated Fitchburg the next day with a score of 14-12.

Interclass Plays

December 9th was the date of the Interclass Play Competition and the uncovering of many new talents. The Senior class put on Ullman's *Sorry, Wrong Number*, the Juniors; Benet's *The Devil And Daniel Webster*, and the Sophomores; Milne's *The Ugly Duckling*. Best actor honors went to James O'Toole of the Junior class and best actress honors were shared by Jean Cummings and Christine Williams of the senior and sophomore class respectively. *The Devil and Daniel Webster* was chosen as the best play.

Faculty vs. Seniors

It was a tense battle between the senior boys and the men faculty at L.H.S. on Wednesday, January 25. It was a decided victory for the students although the score seemed to dispute it. Before the men's game, the women showed their skill at basketball by challenging the senior girls. With Lois Johnson's great hook shot, and Miss Hartnett's expert coaching, the senior girls hardly had a chance.

Guys and Dolls

Damon Runyon's characters sprang to life before sell-out audiences at Leominster High's annual musical production. The students who gave their time and whole-hearted effort to the show proved once again that they could make the production a tremendous success.

Speech Finals

Leominster High's annual speaking contest was held February 15. Seven students representing the school were chosen finalists—2 seniors 2 juniors, 2 sophomores, and one at large. Lisa Krock, a senior, took first place honors with her speech "A Letter to Santa". Jean Cummings came in second with her speech concerning Project Head Start, and Christione Williams was given an honorable mention for her speech about TV commercials.

Winter Carnival

February 18, 1967 was the day of the Annual Winter Carnival Ball. Against the background of "Japanese Sunset" couples danced dreamily throughout the evening. The court was chosen by the students from a list of senior girls. Judith Resseque was chosen Queen. She and her escort Ronald LeBlanc made a lovely royal couple.

The affair, held at City Hall, was certainly one of the highlights in Leominster High's social season.

Leominster High has traditionally been a football power. But for the last few years, the LHS battle cry has been, "Wait until next year." Well this year, next year finally came.

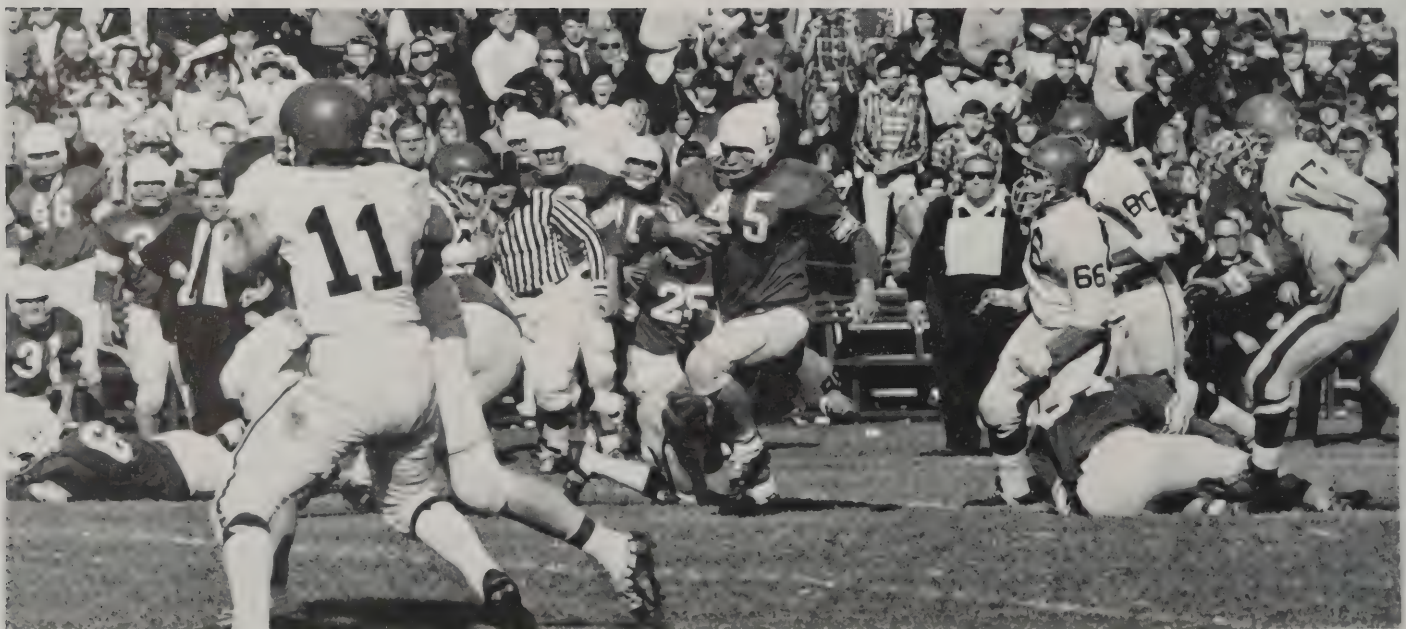

Under the direction of head coach Leon "Huck" Hannigan, a strong Leominster High School football team enjoyed a fine season. The "Blue Devils" posted a near perfect record. After losing the first game to a well-drilled Nashua team, they went on to win their remaining eight contests. Marlboro, Notre Dame, Hudson, Manchester Memorial, Newton South, Gardner, Worcester North and Fitchburg fell in succession.

In their nine games, the team exhibited tremendous offensive power. Our attack was spearheaded by the consistently spectacular running of big left half-back, Dave Cote. Dave is considered to be one of the best backs in the state, and will undoubtedly go down as one of Leominster's all-time greats in the grid sport. Cote's running ability was ably supplemented by hard-running fullbacks Greg Moniz and Mike Bisol, and our speedy junior wing-back, Alan Anderson. Although we were most effective on the ground, quarterbacks Reed Pelletier and Jack Rodriquez did some fine passing when called upon. Ends Dick Ward and Jim Valeri made excellent receptions in several crucial situations.

Like all successful football teams, the "Blue Devils" had some fine linemen. Though they rarely made the headlines, co-captain Jim Beaulieu, Mark McCaffrey, John Hulecki, Ron Belliveau, John Ritzo, John Caisse, Dick Gallagher, John Culley, Mike D'Innocenzo and Selmo Torcoletti opened holes, pass-blocked and played fine defense throughout the season.

During the fall, the success of the football team was certainly the main topic of conversation throughout the student body. At the season's conclusion, our team was honored with the North Worcester County championship. The team left little doubt that on the football field, "We're number one."

Leominster	88	Fitchburg	71	Leominster	80	Fitchburg	61

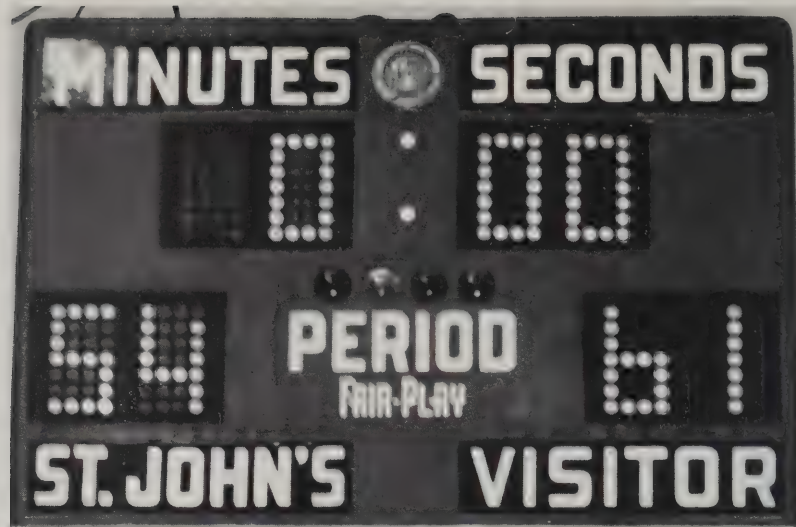

When the entire first team of last year's championship squad graduated, a mediocre season this year seemed almost a certainty. But Coach Ted Damko, who seems determined to establish Leominster High as perennial basketball power, once again fielded a classy group of basketball players who more than held their own against some tough opposition. The "Blue Devils" beat every team on their schedule at least once, and lost but three of 18 regular season games.

Our biggest scorer this year was Co-captain Dick Armstrong. Dick's tremendous shooting ability and sure ball handling kept our offense running smoothly all season long. In the backcourt with Armstrong was Co-captain Reed Pelletier. Pelletier, a good ball handler and steady shooter, proved to be a very able "quarter-back". The bulk of the team's rebounding was done by big John Hulecki and center Don Cranson. In addition to clearing the boards, both Cranson and Hulecki had numerous high scoring games. Dick Tocci, who played well both in the backcourt and underneath the basket, rounded out the starting five. Tocci's rugged and consistent play proved most helpful over the course of the season. Ed Torcoletti and junior Mark Love were the reserves who saw the most action. Both turned in many fine performances. Seniors Bob MacPherson and Jack Picucci were also always ready when needed.

Most followers of high school basketball in this area agree that the quality of LHS opposition has not been as high as this year's in a very long time. Victories over such fine teams as St. John's are, indeed, an accomplishment. Thus, this year's impressive record is particularly significant.

At the conclusion of the regular season, the team was honored with an invitation to the District 3 Tournament. This basketball season must certainly be considered very successful.

In Memory

In our last few days before graduation, let us remember one of our classmates, Colleen MacDonald. Although she was with us for only a few short weeks, those of us who knew her will never forget her.

We salute you!

Congratulations and the best luck! We at Loring are proud of the part we have had in helping to make your classbook a permanent reminder of your school years, recording with photographs one of the happiest and most exciting times of your life! We hope that, just as you have chosen us as your class photographer, you will continue to think of Loring Studios when you want photographs to help you remember other momentous days to come! When you choose Loring portraits, you are sure of the finest craftsmanship at the most moderate prices!

The Class of 1967 sincerely thanks all of the advertisers whose support has been of great help in making this book possible. It is hoped that the Class of 1967 and its friends will reciprocate, whenever possible, by patronizing these merchants. We wish to extend special thanks to all the faculty and student body of Leominster High School for their kind assistance in preparing this year's MAGNET.

The Skin Of Our Teeth

The 64th Senior Class Production, "The Skin of Our Teeth" under the direction of Mrs. Adams was acclaimed for its success. Special credit should be given to the student directors Douglas Best and Margaret Doyle for their untiring efforts and devotion in organizing the play.

Zarmair Shepherd Best Actress and Best Actor Awards were presented to Justine DePasquale and John Broderick for their outstanding performance in the roles of Sabrina and Mr. Antrobus.

Awards Assembly

Mr. Bird gives special recognition to the proud possessors of the "Pigeon Trophy".

Jimmy receives his award a little early!

Mr. Bisceglia presents the Band Letters.

Our cheerleaders close the assembly with the school song.

Junior-Senior Relay

The courageous juniors challenged . . . the mighty seniors.

The spectators seem worried . . .

but the seniors remain supreme.

Graduation 1967

"Knowledge Is Freedom; Wisdom Is Peace"

On June 18, 1967, the 97th annual graduation exercises were held in the Leominster High School auditorium. The invocation was given by Reverend Samuel J. Riggs and followed by the National Anthem. The program included the songs "The Impossible Dream" and "Born Free" which were selected and sung by the entire class.

Donald Cranson, president of the class of 1967, presented the class gift, an outdoor bulletin board, to Joseph McMilleon, president of the class of 1968.

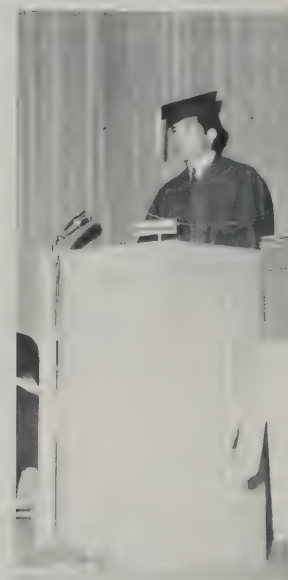

"Responsible
Dissent"

"The American
Labor Movement"

"Collective
Dissent"

"Individual
Dissent"

Highlighting the program were the essays given by the four highest ranking scholastic seniors. The essayists speaking on "Dissension" were Justine DePasquale, Howard Ringer, Kathleen Underwood, and Simon Tonkin. They treated the topic in a positive light trying to show how dissension, a problem of their time, could be used in a constructive manner.

The program ended with the presentation of diplomas by Mayor Ralph W. Crossman.

Tennis

Tennis

Tennis is one of the newer sports on the Leominster High athletic scene. This year's team showed much improvement and was awarded with an expanded fourteen match season. Coach George Schroeder attributes the team's development to co-captains Simon Tonkin and Michael Bedard and the team members, Brian McCarthy, Kenneth MacDonald, Timothy Tyler, John Curley, Michael Hutchinson, Everett Parmenter, and Frank Vargo.

Golf

The golf team, under the tutelage of Mr. Gerald Aubuchon, had another successful season. The link men hope for a good season next year also but will be hard pressed to replace the four players lost through graduation.

Anthony Montagna

Dick Armstrong

Pete Fantozzi

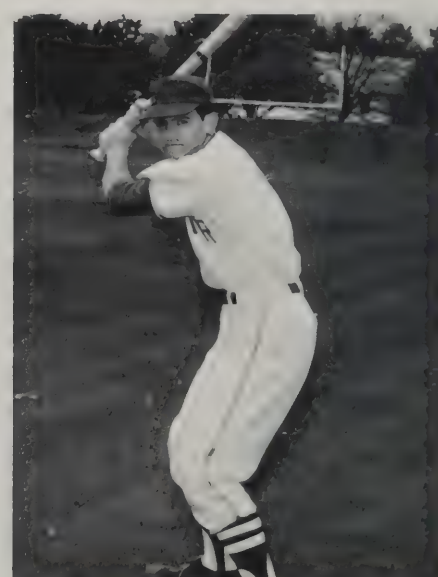

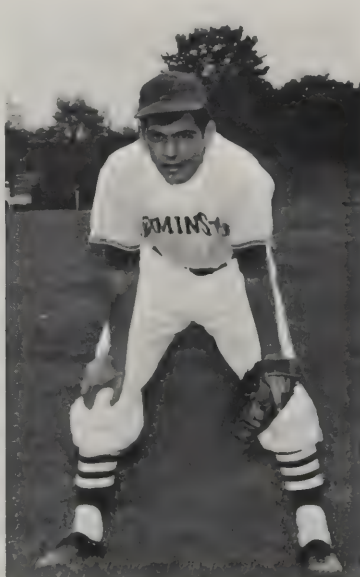

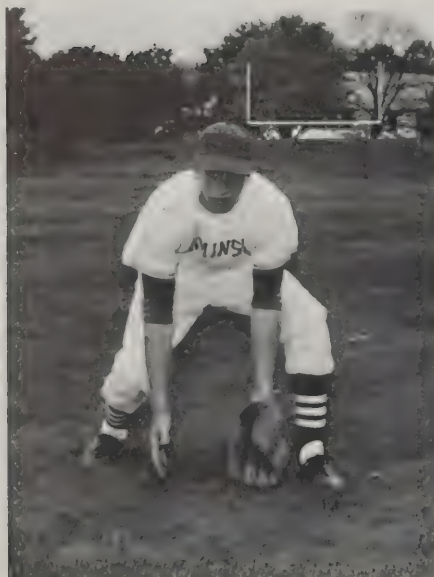

The Leominster High School baseball team under the direction of Mr. William Johnson this year proved to be one of the greatest teams Leominster has ever had. Team captain Don Cranson along with the co-operation of the other diamond dusters Jack Picucci, Paul Fontaine, Mike Marchand, Marty Salvatore, John Culley, Nick Bergman, Roy Levesque, and Greg Picucci worked together to bring home the N.C.M.C. Championship which later took them into the District III play offs. Unfortunately, however, the team had a few bad breaks and they just missed the championship.

D.E. Day At Grants

The members of the Distributive Education class were offered the opportunity to experience a morning in the business world by Grants of Leominster. During the year's course the students had been learning the techniques of better business, and they applied their knowledge in this first co-operative venture between store and school.
